

First Annual

Chicago Southland Occupational Safety and Health Conference

Thursday, July 18
8 a.m. - 4 p.m.

Prairie State College Conference Center

Health and safety practices are always evolving, and we want to help you keep up with the latest industry trends and regulatory updates. Attendees will learn how to integrate safety compliance into organizational culture, discover how to implement transformational safety leadership within your own company, acquire OSHA compliance guidance, and improve your knowledge of plant floor safety technology.
